EPS Conference on High Energy Physics

Venice, Italy 5-12 July 2017

The European Physical Society Conference on High Energy Physics (EPS-HEP) is one of the major international conferences that reviews the field every second year since 1971. It is organized by the High Energy and Particle Physics Division of the European Physical Society. The latest conferences in this series were held in [Vienna](#), [Stockholm](#), [Grenoble](#), [Krakow](#), [Manchester](#), [Lisbon](#) and [Aachen](#).

In 2017 the EPS-HEP will take place in Venice, Italy on 5-12 July. The conference is organized by Istituto Nazionale di Fisica Nucleare (INFN) and the Department of Physics and Astronomy of the Padua University.
