Brainstorming

Jose Benito Gonzalez Lopez

1 **Topic**, 4 **Groups**

Topic

How would you improve the Invenio Community?

Improving communities?

- *All points of view valid (end-user, sys admin, developer)*

- Think of your personal experience:

    - What is missing in the community? **how?**

    - A more efficient community? **how?**

    - Better communication? **how?**

    - Better community activity overview? **how?**

    - More collaboration? **how?**

INVENIO)

"The Method"

1) Split in 4 Groups

1 moderator per group

2) 10 mins on your own

- Write down your ideas

- 1 idea per "card"

- No talking please

INVENIO

3) Share with group

- One by one

- Explain your ideas to others in your group

- Questions/Clarifications

INVENIO

4) Select highlights

- Group or simply select the most relevant ideas

- Prepare to present them

INVENIO

5) Presentation

- Tell us what you came up with!

- 5 minutes each group

INVEN○)

Schedule

- **9:45-10:15** (~30 mins)

  - This presentation and questions (10 mins)

  - Generation of ideas (10 mins) - No speaking please!

  - Start explaining ideas one by one to group (10 mins)

- **10:15-10:30** **Break** (15 mins)

- **10:30-11:30** (1 hour)

  - Keep explaining ideas one by one to group (30 mins)
