

Enabling Grids for E-science

Application Porting and User Support

EGEE09 Conference, Barcelona

www.eu-egee.org

- **NA4 Direct User Support**
 - People “behind” the GGUS portal: www.ggus.org
 - Also responsible for documentation, use cases for gLite
- **NA4 VO Support**
 - Provided through the VO Managers’ Group
 - Registration, Treatment of VO issues
 - Allocating resources to new VOs from the seed pool
- **NA4 Application Porting Support** <http://www.lpds.sztaki.hu/gasuc/>
 - Provides assistance to enable applications on the grid
- **Regional NA4 Teams**
<https://twiki.cern.ch/twiki/bin/view/EGEE/RegionalSupport>
 - One team per EGEE region (total 10 teams)
 - Responsible for first level support and signposting
- **NA3 Training support** www.egee.nesc.ac.uk
 - Developing training materials and services
 - Organizing and delivering training events

Tuesday, 22 September 2009

14:00	[345] Gergely Sipos (MTA SZTAKI) – Overview of EGEE support services (Sarrià: 14:30 - 14:40)
	[346] Marco Bencivenni (INFN-CNAF): Direct User Support and updates on EGEE use cases documentation (Sarrià: 14:40 - 15:00)
15:00	[347] Marios Chatziangelou (IASA) - Latest developments of the EGEE Application Database (Sarrià: 15:00 - 15:20)
	[348] Weilong Ueng and Hsinyen Chen (ASGC) - Development of e-Science Application Portal on GAP (Sarrià: 15:20 - 15:40)
	[349] Tamas Kiss (University of Westminster) – Support services for desktop grids and cluster grids by the EDGeS project (Sarrià: 15:40 - 16:05)
16:00	[350] Gergely Sipos (MTA SZTAKI) - Latest results of the Grid Application Support Centre at SZTAKI (Sarrià: 16:05 - 16:30)
17:00	[351] Giuseppe La Rocca (INFN Catania) – Application Porting achievements of the GILDA team (Sarrià: 17:00 - 17:20)
	[352] José Luis Vázquez-Poletti (UCM): Application porting projects with the GridWay metасcheduler - Novelties and features  slides (Sarrià: 17:20 - 17:40)
	[353] Alejandro Lorca (UCM) - Job Template Manager for parameter sweeping in the GridWay metасcheduler (Sarrià: 17:40 - 18:00)
18:00	[354] Enol Fernandez (CSIC) – Porting of Astronomy & Astrophysics and Quantum Chemistry applications (Sarrià: 18:00 - 18:20)
	[355] Airaj Mohammed (CEA) – Porting support for grid users by CEA Paris (Sarrià: 18:20 - 18:35)
	[356] Tom Fifield (University of Melbourne) – Application Porting activity at the University of Melbourne (Sarrià: 18:35 - 18:50)
	[357] General questions and answers (Sarrià: 18:50 - 19:00)
