

EGI: Proposal Status - PMB

Steven Newhouse
Interim EGI.eu Director

The EGI-InSPIRE Project

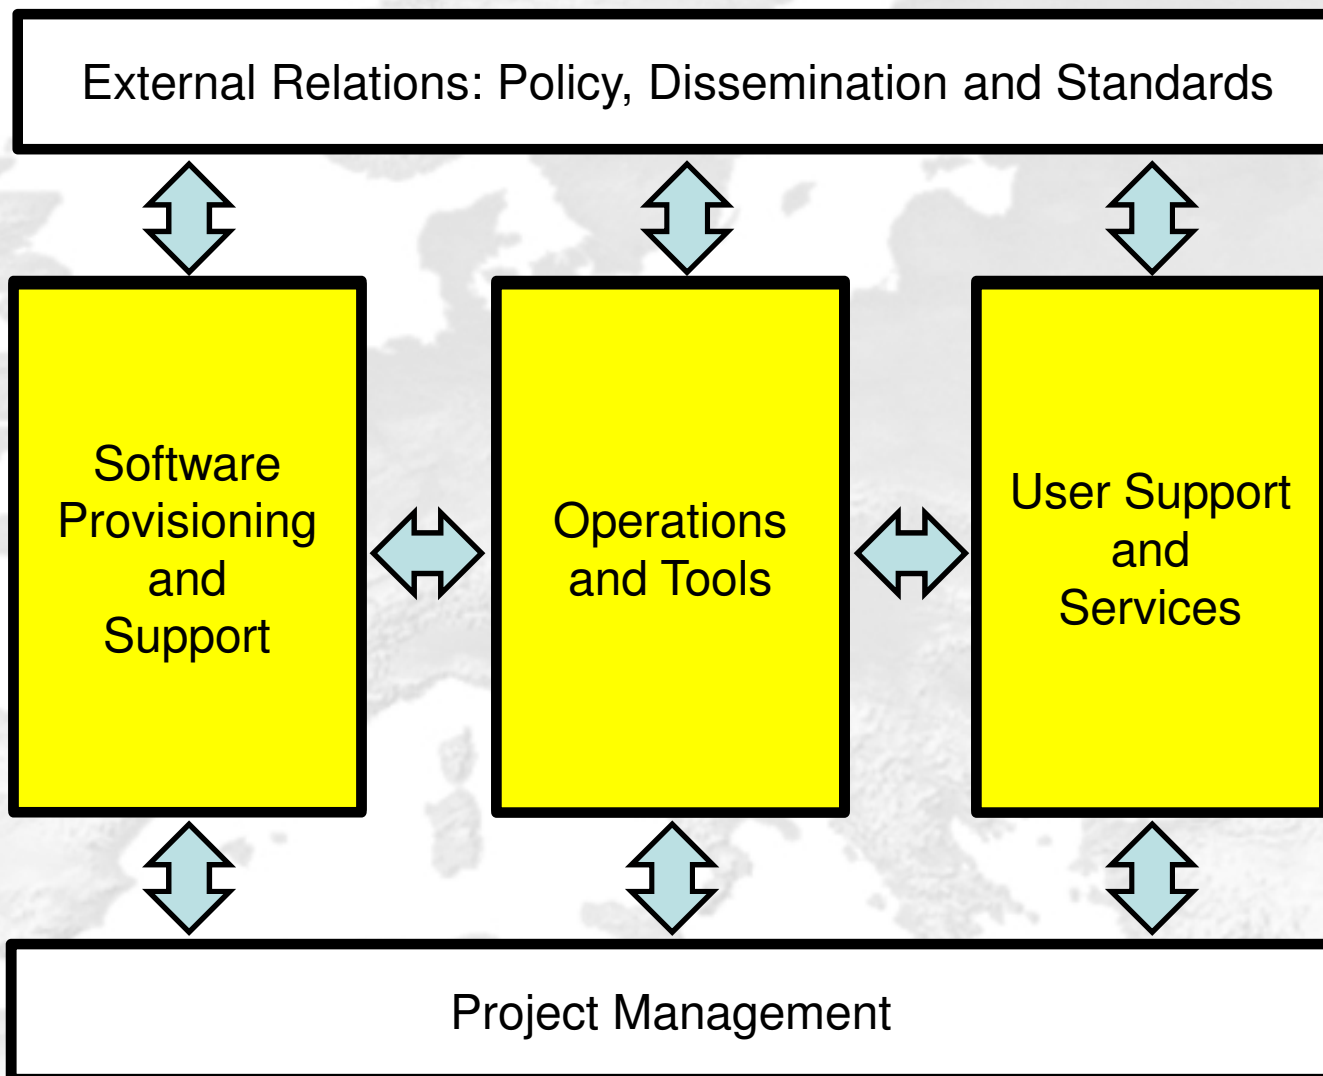

Integrated **S**ustainable **P**an-European
Infrastructure for **R**esearchers in **E**urope

- A proposal for an FP7 project
 - Work in progress..., i.e. this **may all** change!
- Targeting call objectives:
 - 1.2.1.1: European Grid Initiative
 - 1.2.1.2: Service deployment for heavy users
- Targeting a 3 year project
- Seeking a total 25M€ EC contribution

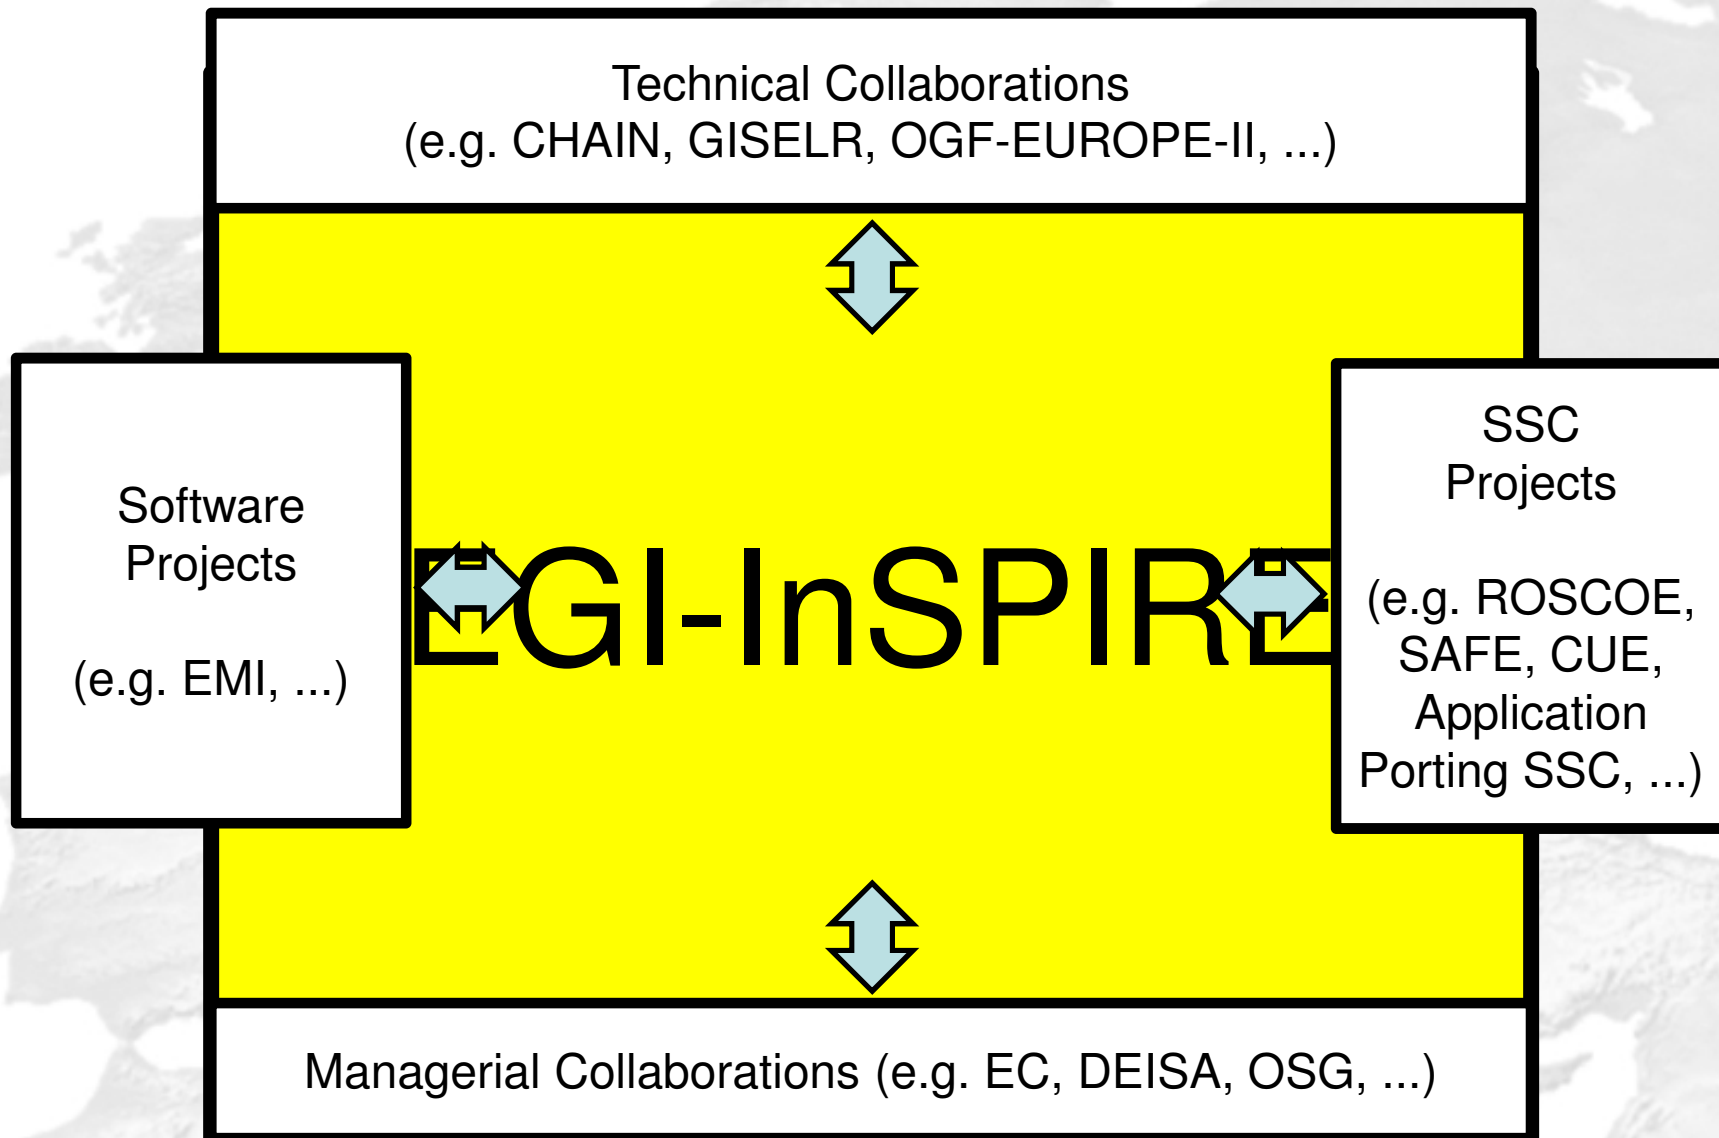

EGI-InSPIRE Objectives

- Transition to a sustainable federated European e-infrastructure built from national resources
- Deliver production quality services to all its user communities and users
- Provide a scalable user support model for international research communities within Europe and their worldwide collaborators
- Interoperation and interoperability with other e-infrastructures

Project Structure

Project Structure

Allocated Tasks

Task	Description	Organisation
O-E-1	GOCDB	UK
O-E-4	Operations Portal	France
O-E-8	User Requirements	Germany
O-E-6	Operation of a helpdesk	Germany
O-E-15	Security Policy	UK & Netherlands
U-E-5	User Technical Services	Spain & Portugal
U-E-1	User Forum	EGI.eu
U-E-3	Event Organisation	EGI.eu
O-E-5	Grid Operation & Oversight	Netherlands & Poland

Allocated Tasks

Task	Description	Organisation
O-E-9	Middleware Rollout	Spain & Portugal
O-E-12	Network Support	Italy
O-E-14	Core Grid Services	Greece
O-E-2	Accounting Repositories	UK & Spain
O-E-10	Resource Allocation	Poland
O-E-11	Interoperation	Sweden
O-E-13	Best Practices	Finland
O-E-16	Security Incident Response	UK & Netherlands
U-E-6	Informational & High-level tools	Greece

Allocated Tasks

Task	Description	Organisation
U-E-2	Coordination of SSCs	EGI.eu
E-E-1	Dissemination	EGI.eu
E-E-3	Industry Uptake	EGI.eu
E-E-4	External Relations	EGI.eu
U-E-9	New Communities & Front Desk	EGI.eu

Other tasks are still under deliberation or to be bid for

Summary

- EGI is a collaboration for HTC in Europe
 - Provide a sustainable European e-Infrastructure
 - Strengthen support for HPC user communities
