**Session Program**

**21–25 Sept 2009**

# EGEE'09 - Uniting our strengths to realise a sustainable European grid

# *Grid Observatory*

Hotel Barcelo Sants
Barcelona

# Monday 21 September

**14:30**

## Grid Observatory: One Year of the Grid Observatory
**Session** | **Location:** Hotel Barcelo Sants, Parallel, Barcelona

**14:30–14:55** **One year of the Grid Observatory**

**Speaker**
Prof. Cecile Germain-Renaud

**14:55–15:20**

**Grid Management Support by means of Collaborative Learning Agents**

**Speaker**
Mr Wico Mulder

**15:20–15:45** **Characterization of a Computational Grid as a Complex System**

**Speaker**
Prof. Lorenza Saitta

**15:45–16:05** **Analysis of workload series from Grid Observatory measurements**

**Speaker**
Dr Tamas Elteto

**16:05–16:25**

**Improving quality of service on EGEE with application-level site pre-selection**

**Speaker**
Mr Tristan Glatard

**16:25–16:30** **Conclusion**

**16:30**

**17:00**

## Grid Observatory: Building the SSC
**Session** | **Location:** Hotel Barcelo Sants, Sarrià, Barcelona

**17:00–17:30** **Self-Adaptive Architectures for Autonomic Computational Science**

**Speaker**
Dr Jha Shantenu

**17:30–17:50** **The EGI ecosystem and the GO SCC architecture**

**Speaker**
Prof. Cecile Germain-Renaud

**17:50–19:00** **Discussion**

**19:00**
