

Session Program

21-25 Sept 2009

EGEE'09 - Uniting our strengths to realise a sustainable European grid

Network session: EGEE SA2 / TERENA NRENs & Grids joint workshop

Hotel Barcelo Sants
Barcelona

Tuesday 22 September

11:00

Network session: EGEE SA2 / TERENA NRENs & Grids joint workshop

Session | **Location:** Hotel Barcelo Sants, Sant Gervasi, Barcelona

11:00–11:10 Introduction

Speakers

Mr Peter TERENA Szegedi, Mr Xavier Jeannin

11:10–11:11 Advanced Network Services Session

11:15–11:35 e-VLBI applications and requirements (JIVE)

Speaker

Dr Paul Boven

11:35–12:10 Integration of GLIF services into the Grid middleware

Speaker

Mr Lars Fisher

12:10–12:35 Advanced Multi-domain Provisioning System (AMPS) and SLA

Speaker

Dr Vassiliki Pouli

12:35–13:00 GN3: Connectivity services, AutoBAHN, and new services

Speaker

Dr Domenico Vicinanza

13:00

14:30

Network session: EGEE SA2 / TERENA NRENs & Grids joint workshop

Session | **Location:** Hotel Barcelo Sants, Sant Gervasi, Barcelona

14:30–14:31 Network monitoring session

14:35–15:00 The network monitoring in grid context

Speaker

Mr Emir Imamagic

15:00–15:30 perfSONAR Lite TSS: A light network troubleshooting tool

Speaker

Dr Susanne Naegele-Jackson

15:30–16:00 PerfSONAR deployment over Spanish LHC Tier 2 sites

Speaker

Mr Alberto Escolano Sánchez

16:00–16:01 IPv6 Session

16:05–16:30 IPv6 gLite Compliance

16:30

Speakers

Mr Etienne Dublé, Dr Mario Reale

17:00

Network session: EGEE SA2 / TERENA NRENs & Grids joint workshop**Session** | **Location:** Hotel Barcelo Sants, Sant Gervasi, Barcelona

17:00-17:01

Project-wide Network Operation Session

17:05-17:20

Trouble Ticketing: The importance of collaboration between Grids and NRENs**Speaker**

Mr Guillaume Cessieux

17:20-17:40

Network Trouble Tickets: Normalisation and improvement (GRNET)

17:40-18:00

Trouble ticket and incident correlation**Speakers**

Dr Veniamin Konoplev, Xavier Jeannin

18:00-18:01

Grid middleware session

18:05-18:30

Identity federations with eduGAIN**Speaker**

Mr Diego R. Lopez

18:30-19:00

Your Grid certificate within minutes: Dream or close to reality?**Speaker**

Mr Jan Meijer

19:00
