

# Welcome

DPM workshop 2016

Speaker: Fabrizio Furano

# DPM Workshop 2016

- One day and a half of exchange
- Promote dialogue between core team and sites
  
- Thank you very much for joining and for contributing to the event
  
- We would like to thank the French DPM community for the very kind support given for this event
  - For the organization, special thanks to Andrea Sartirana and Victor Mendoza

# Roughly three sections

- Morning site reports: sysadmins reporting about their site, issues, ideas
- Afternoon: tech stuff
  - upcoming big features, highlights
  - Space accounting, SRM, gridFTP
  - Federated storage
- Second morning: operations
  - Setup tutorials, upgrades, tests
  - Admin tools, common practices
  - Clinic, open Q&A, live troubleshooting

# Dinner

- The workshop dinner is today Nov 23<sup>rd</sup>, the restaurant is pretty close
