Type: **Talk**

## **LEGEND: new opportunity to discover the neutrinoless double beta decay**

*Tuesday, August 29, 2017 9:00 AM (30 minutes)*

No abstract yet

### **Topic:**

Topic: High Energy Particle Physics

### **Summary**

**Primary authors:** GUSEV, Konstantin; LEGEND COLLABORATION

**Presenter:** GUSEV, Konstantin

**Session Classification:** Parallel session

**Track Classification:** A High Energy Particle Physics:
