Gantaphon Chalumporn

I am a second year Master student of Computer Engineering from King Mongkut's University of Technology (KMUTT), Thailand, with KMUTT diamond scholarship.

I finished my bachelor's degree of Computer Engineering from King Mongkut's University of Technology (KMUTT) (2011-2014).

I experienced in high performance computing (HPC) and edutainment, as a member of 'Concurrent Algorithm and Scalable Technology Labratory' (CAST Lab) at KMUTT.
