

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 22

Type: **not specified**

V. A. Radiation Oncology in Africa; Current State and Future Goals

Monday 7 November 2016 11:00 (15 minutes)

Presenter: GROVER, Surbhi

Session Classification: V. Design Considerations for a Linear Accelerator for Challenging Environments - Moderator: Richard Lanza
