

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 23

Type: **not specified**

V. B. Machine Parameters and Machine Operational Features to Satisfy Requirements

Monday 7 November 2016 11:15 (20 minutes)

Presenter: MEGHZIFENE, Ahmed

Session Classification: V. Design Considerations for a Linear Accelerator for Challenging Environments - Moderator: Richard Lanza
