

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 24

Type: **not specified**

V. C. “Dreamliner” Novel Linear Accelerator Features for Challenging Environments

Monday 7 November 2016 11:35 (5 minutes)

Presenter: PISTENMAA, David (ICEC)

Session Classification: V. Design Considerations for a Linear Accelerator for Challenging Environments - Moderator: Richard Lanza
