

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 44

Type: **not specified**

VIII. A. Recommendations emanating from Session VII

Tuesday 8 November 2016 08:35 (25 minutes)

Presenters: DEGIOVANNI, Alberto (CERN); AMALDI, Ugo (TERA Foundation (IT))

Session Classification: VIII. Summary of Design Characteristics for a Novel Linear Accelerator for Challenging Environments: Moderator: David Jaffray
