

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 46

Type: **not specified**

VII. A. 1. Goals of Session VII

Monday 7 November 2016 13:00 (5 minutes)

Primary author: AMALDI, Ugo (TERA Foundation (IT))

Presenters: DEGIOVANNI, Alberto (CERN); AMALDI, Ugo (TERA Foundation (IT))

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
