

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 47

Type: **not specified**

VII. A. 2. Experience gained from the GlobalDiagnostiX project

Monday, 7 November 2016 13:05 (17 minutes)

Presenter: SAHLI, Romain

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
