

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 49

Type: **not specified**

VII. A. 6. Experience on Electron Linacs at NCBJ (Poland)

Monday, 7 November 2016 14:13 (17 minutes)

Presenter: ADRICH, Przemek

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
