

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 50

Type: **not specified**

VII. A. 4. Electron Linac Projects in Pakistan with CERN support

Monday, 7 November 2016 13:39 (17 minutes)

Presenter: ZEESHAN, Sumaira

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
