

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 54

Type: **not specified**

VII. A. 9. Shielding in "difficult" environments

Monday, 7 November 2016 15:30 (17 minutes)

Presenter: KRAWCZYK, Pawel

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
