

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 55

Type: **not specified**

VII. A. 11. General Design Considerations on Structures, Power Sources and Accessories

Monday, 7 November 2016 16:04 (17 minutes)

Presenter: VRETENAR, Maurizio

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
