

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 56

Type: **not specified**

VII. A. 10. PHASER: Application of Advanced RF Linac Technology to Medical Accelerators

Monday, 7 November 2016 15:47 (17 minutes)

Presenters: LOO, Billy; TANTAWI, Sami

Session Classification: VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
