

# CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Contribution ID: 57

Type: **not specified**

## VII. A. 12. Conclusions

*Monday, 7 November 2016 16:21 (9 minutes)*

**Presenter:** AMALDI, Ugo (TERA Foundation (IT))

**Session Classification:** VII. Options for Achieving a Novel Linear Accelerator for Challenging Environments; Exploiting advances in technology.
