

CERN-hosted Workshop on Design Characteristics of a Novel Linear Accelerator for Challenging Environments - Improving global access to radiation therapy

Tuesday 8 November 2016

X. Essential and Sustainable Infrastructure Needs in Challenging Environments: Moderator: Norman Coleman: A. Physical Infrastructure Requirements and Opportunities in Challenging Environments - 31/3-004 - IT Amphitheatre (11:25 - 12:00)

time	[id] title	presenter
11:30	[35] X. A. 1. Clinical considerations	COLEMAN, C. Norman
11:45	[58] X. A. 2. Equipment and facility needs.	MEGHZIFENE, Ahmed

X. Essential and Sustainable Infrastructure Needs in Challenging Environments: Moderator: Norman Coleman: B. Technology to Connect the World: Moderator: Patti Hardenbergh - 31/3-004 - IT Amphitheatre (13:00 - 13:20)

time	[id] title	presenter
13:00	[36] X. B. 1. Using modern technology to share medical knowledge worldwide	ZUBIZARRETA, Zubi

X. Essential and Sustainable Infrastructure Needs in Challenging Environments: Moderator: Norman Coleman: C. Panel Discussion: Estimating the Needs and Planning for Sustainable Training of Professional and Ancillary Personnel in Developing Countries. Moderator: Yolande Lievens - 31/3-004 - IT Amphitheatre (13:20 - 14:30)

time	[id] title	presenter
13:25	[59] X. C. 1. Overview by the moderator	LIEVENS, Yolande
13:30	[60] X. C. 2. Presentations by panel members: Norman Coleman, ICEC; Bruce Curran, AAPM; Nelly Enwerem-Bromson, IAEA; Patricia Hardenbergh, ASTRO; Ahmed Meghzifene, IAEA; Yakov Pipman, MPWB	MEGHZIFENE, Ahmed CURRAN, Bruce COLEMAN, C. Norman ENWEREM-BROMSON, Nelly HARDENBERGH, Patti Dr PIPMAN, Yakov
14:00	[61] X. C. 3. Open discussion
