Jun 23 - 25, 2009

ILC-CLIC LET Beam Dynamics Workshop
Integrated Studies and Dynamic Effects

CERN, 6/2-004

Thu, June 25

1:50 PM

Integrated Studies and Dynamic Effects

Session | Location: CERN, 6/2-004

1:50 - 2:10 PM

To the identification and subsequent stabilization of high-order dynamic systems: observers-based approach

Speaker

Elena Rovenskaya

2:10 - 2:30 PM

Chaos control in nonlinear dynamical systems

Speaker

Nikolai Magnitskiy

2:30 - 2:50 PM

Discussion on Future Plans and Collaborations

2:50 PM
