13:20

RTML

Session | Location: CERN, 6/2-004

13:20-13:40 **ILC RTML low emittance simulations**

Speaker
Dr Andrea Latina

13:40-14:00 **Simulation studies on ILC bunch compressors with SLEPT**

Speaker
Dou Wang

14:00-14:20 **Magnetic Stray field measurements at Fermilab**

Speaker
Dmitri Sergatskov

14:20-14:40 **Magnetic Stray Fields in the Long Transfer Line**

Speaker
Jochem Snuverink

14:40-15:20 **Discussion on Future Plans and Collaborations**

15:20
