ILC-CLIC LET Beam Dynamics Workshop

Wakefield & Coupler field

CERN, 6/2-004

Wed, June 24

10:50 AM

Wakefield & Coupler field

Session | Location: CERN, 6/2-004

10:50 - 11:10 AM Status and details of coupler kick and wake simulations

Speaker

Vyacheslav Yakovlev

11:10 - 11:30 AM

CLIC accelerating structures: study of the tolerances and short range wakefield considerations

Speaker

Riccardo Zennaro

11:30 - 11:50 AM

Collimation wakefields and secondary particles

Speaker

Javier Resta Lopez

11:50 AM - 12:10 PM

Dielectric collimators for CLIC

Speaker

Benoit Salvant

12:10 - 12:50 PM

Discussion on Future Plans and Collaborations

12:50 PM
