

Session Program

26-27 Sept 2016

Second International Workshop on recent LHC results and related topics. 26-27 September 2016, Tirana, Albania

The LHC project

Tirana
University of Tirana, Faculty of Natural Sciences, Physics Department

Tuesday 27 September

09:00

The LHC project

Session | **Location:** Tirana, University of Tirana, Faculty of Natural Sciences, Physics Department | **Convener:** Daniel Denegri

09:00–09:50

LHC : Description, performances and prospects from Engineering view

Speaker

Tadeusz Kurtyka

09:50–10:40

LHC detectors and their performances,

Speaker

Ludwik Dobrzynski

10:40–11:00

Development of compact particle detectors

Speaker

Prof. Abaz Kryemadhi

11:00
