

Session Program

26-27 Sept 2016

Second International Workshop on recent LHC results and related topics. 26-27 September 2016, Tirana, Albania

LHC. Contribution to Physics

Tirana
University of Tirana, Faculty of Natural Sciences, Physics Department

Tuesday 27 September

11:30

LHC. Contribution to Physics

Session | **Location:** Tirana, University of Tirana, Faculty of Natural Sciences, Physics Department | **Convener:** Prof. Christoph Schaefer

11:30-12:15

Overview Standard Model probing with LHC results

Speaker

Daniel Denegri

12:15-13:00

Higgs search and discovery

Speaker

Dr Nicola De Filippis

13:00

14:30

LHC. Contribution to Physics: continuation

Session | **Location:** Tirana, University of Tirana, Faculty of Natural Sciences, Physics Department | **Convener:** Giuseppe Iaselli

14:30-15:15

Search for Dark Matter at the LHC

Speaker

Dr Nicola De Filippis

15:15-16:00

Overview of BSM searches at LHC

Speaker

Daniel Denegri

16:00-16:45

LHC detectors and their upgrades

Speaker

Ludwik Dobrzynski

17:00
