

**Session Program**

**24-26 Oct 2016**

**2016 JAEA/ASRC Reimei Workshop : New  
exotic hadron matter at J-PARC**

***25\_5th***

Other Institutes  
Jung-seok Memorial Library

# Tuesday 25 October

17:35

## 25\_5th

**Session** | **Location:** Other Institutes, Jung-seok Memorial Library

17:35–18:00

### Heavy baryons based on pion mean fields

**Speaker**

Prof. Hyun-Chul Kim

18:00–18:25

### Reactions of Xi production

**Speaker**

Prof. Yongseok Oh

18:25–18:45

### Two-body wave functions and compositeness from scattering amplitudes

**Speaker**

Dr Takayasu Sekihara

18:45
