

4th Summer School on INtelligent signal processing for FrontIER Research and Industry

Tuesday, 31 January 2017

**DATA FILTERING TECHNIQUES: Advances in Filtering Mathematical techniques - Abraão de Moraes Auditorium
(IF) (09:00 - 13:00)**

-Conveners: Marco Dimas Gubitoso

| time | [id] title | presenter |
|-------|---|-----------------------|
| 09:00 | [29] Introduction to advanced Filtering Techniques | Prof. BARRERA, Junior |
| 11:00 | Coffee break | |
| 11:30 | [30] Advances in Data Filtering and Real time algorithms applications | Prof. BARRERA, Junior |
