SCIENCE WRITING WORKSHOP FOR PHYSICISTS WITH AUTHOR TASNIEEM Z. HUSAIN

Join this half-day interactive workshop dedicated to science writing. Together with author and theoretical physicist Tasneem Z. Husain, you will identify the components that make up effective science writing. Through discussions and exercises, you will learn how to use these elements in your writing - be it long or short, blog or book.

OCTOBER 5th @ CERN
Register at: cern.ch/writing-workshop
Open to all CERN access card holders - Vidyo available
