JENNIFER BARNES

VICE PRESIDENT,
OPERATIONS &
COMMUNICATIONS

ONEENERGY RENEWABLES

Jennifer leads strategic internal and external communications and the advancement of OneEnergy's human capital and operational goals.

She brings more than two decades of senior leadership and management expertise to OneEnergy's executive team. Jennifer has spent nearly 20 years in the alternative energy, cleantech, land use, and environmental industry sectors, including at Heller Ehrman VLG, Davis Wright Tremaine, and VanNess Feldman. Most recently, Jennifer was the founder and CEO of a corporate management consulting firm, leeway+company.
