# 1<sup>st</sup> R2E RADIATION SCHOOL & WORKSHOP

Some Organisational Issues

## Some Numbers

- the idea of the course was born end of February
- three months and 'only' about 200-300 emails later we're happy to welcome 66 participants
- 16 lecturers have kindly agreed guiding us through the program
  - !!! THANKS A LOT !!!
- Special thanks to:
  - Francoise, Evelyn and Ketil for giving a hand during the organisation
  - Elias the camera man...
- the last numbers... -> in case of problems:
  - tell me
  - or dial 163415

| Group:  | #ofPart.                                                                                                                                      |

## During The Two Days

- Good News:
  - A 'Welcome Coffee' every day between 08:00-08:30h (to wake us up!)
  - Two Coffee Breaks each days: (to keep us awake!)
    - one in the opposite conference room
    - one on the terrace downstairs
  - One lunch each day
  - One common dinner (for those who signed-up)
- Bad News:
  - You're filmed and the clips are submitted for the next Oscar
    - thus, please use the microphone for questions
  - No WiFi (we want you to listen and profit a maximum)
- Others:
  - Please switch your phones to 'silent'

#### Some 'Issues'

• Are there any vegetarians or people requiring special meals (no milk, ...)

- PLEASE RAISE YOUR HAND

- Three people didn't yet tell us if they join the dinner:
  - David, Fernando, Pierre -> are you coming?
- Others didn't yet fill out the questionnaire:
  - Doris, Jan, Thijs, Ewald, Isabelle, Fernando, Sophie,
    Alessandro -> if present, please do so until lunch-time,
    we will then finish the list of participant including your
    details

### **Details For The Dinner**

- Apéro starts at 19h
- Restaurant: Le Pavillon du Golf (Divonne)

- directions are distributed

• You're Invited

### After the School/Workshop

- The lectures will remain accessible:
  - www.cern.ch/R2E
  - <u>http://indico.cern.ch/event/R2E\_school\_2009</u>
- A brief summary report with all key messages and some conclusions will be distributed (lecturers, please HELP!)
- A questionnaire will be sent to you through HR in order to collect your feed-back
- If you have additional ideas, comments, possible improvements, complaints or other, please let us know and send me an email:
  - <u>Markus.Brugger@cern.ch</u>

# Have Fun ... and thanks a lot to everybody ...
