

Guido Altarelli Award

25th International Workshop on Deep-Inelastic Scattering and Related Subjects 3-7 April 2017, Birmingham, UK

Paolo Gunnellini - DESY

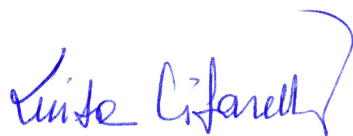

Guido Altarelli Award

awarded to

Paolo Gunnellini

for

his groundbreaking work in the study of double parton scattering and MC tuning

Prof Luisa Cifarelli

(President Centro Fermi)

Prof K.K. Puh

(Chairman WS Publishing)

Dr Christian Caron

(The European Physical Journal C)

Prof Aharon Levy

(Chair IAC of DIS2017)

25th International Workshop on Deep-Inelastic Scattering and Related Subjects 3-7 April 2017, Birmingham, UK

Maria Ubiali - Cambridge

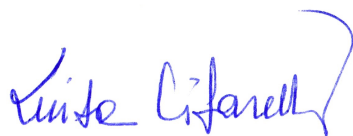

Guido Altarelli Award

awarded to

Maria Ubiali

for

seminal contributions to the understanding of the heavy-quarks dynamics and PDFs

Prof Luisa Cifarelli

(President Centro Fermi)

Prof K.K. Pua

(Chairman WS Publishing)

Dr Christian Caron

(The European Physical Journal C)

Prof Aharon Levy

(Chair IAC of DIS2017)

25th International Workshop on Deep-Inelastic Scattering and Related Subjects 3-7 April 2017, Birmingham, UK
