

Advanced Tracking Tools - aidaTT

F.Gaede, DESY

AID2020 WP3 Phone , Sep 30, 2016

- moved code to Github: <https://github.com/AIDAsoft/aidaTT>
- replaced gsl with Eigen library for vector and matrices
 - should improve performance (see ATLAS)
- improved some basic functionality for intersection calculation
- proper profiling still to be done
 - before large MC production for ILD
