

## **Session Program**

**11-13 Oct 2016**

# **EuroNNAC and EuPRAXIA Workshop on Pilot Applications of Electron Plasma Accelerators (PAEPA)**

## ***Imaging***

Ecole Polytechnique, Amphi Gregory  
Route de Saclay 91128 Palaiseau France

# Tuesday 11 October

14:30

## Imaging

**Session** | **Location:** Ecole Polytechnique, Amphi Gregory, Route de Saclay 91128 Palaiseau France

14:30–14:40

### Medical imaging applications at innovative radiation sources

**Speaker**

Alberto Bravin

14:45–15:00

### Prospective use of laser-driven sources for X-ray phase contrast imaging

**Speaker**

Alessandro Olivo

15:05–15:30

### Discussion on requirements for imaging

**Speaker**

Roman Walczak

15:30
