

LHC and the Standard Model: Physics and Tools

Monday, 19 June 2017

Beyond DGLAP - 4/3-006 - TH Conference Room (10:00 - 11:25)

time	[id] title	presenter
10:00	[11] Two-parton scattering in the high-energy limit	VERNAZZA, Leonardo
10:40	[12] What can we learn about high energy QCD by studying azimuthal angle observables at the LHC	Dr CHACHAMIS, Grigorios
