

Blois 2017: 29th Rencontres de Blois on "Particle Physics and Cosmology"

Monday, 29 May 2017

The Higgs Boson - Gaston d'Orléans (14:00 - 16:30)

-Conveners: Daniel Froidevaux

time	[id] title	presenter
14:00	[8] Higgs couplings and properties from run1 and run 2 measurements and their combinations	MANDEL, Rainer
14:30	[9] Higgs differential and binned measurements per production and decay modes from run 1 and run 2	GADATSCH, Stefan
15:00	Coffee break	
15:30	[10] Prospects for SM Higgs physics at the LHC (run 2 to HL-LHC)	FORTE, Stefano
16:00	[11] CANCELLED: BSM prospects in Higgs physics at the LHC	RIVA, Francesco
