## Tuesday 30 May

11:00

### QCD+EW+Top Physics+Heavy Ions: Part I

**Session** | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | **Convener:** Guido Martinelli

11:00–11:30

#### Precision W/Z physics at colliders

**Speaker**

Kristof Schmieden

11:30–12:00

#### Tests of QCD using jets, bosons plus jets, and top quark production at colliders

**Speaker**

Fabio Cossutti

12:00–12:30

#### Theoretical calculations at the NNLO frontier

**Speaker**

Fabrizio Caola
