

Session Program

27-31 Mar 2017

Neutrinos: the quest for a new physics scale

Beyond the 3ν scenario in neutrino experiments

CERN, 4/3-006 - TH Conference Room

Monday 27 March

16:00

Beyond the 3nu scenario in neutrino experiments: Beyond the 3nu scenario in neutrino experiments

Session | **Location:** CERN, 4/3-006 - TH Conference Room | **Conveners:**
Ryan Patterson, Mariam Tórtola, Pilar Coloma

16:00–16:20 **eV-sterile neutrinos at long baseline**

Speaker

Boris Kayser

16:20–16:35 **MeV neutrinos at short-baseline experiments**

Speaker

Peter Ballett

16:40–16:55 **GeV neutrinos at SHiP**

Speaker

Dr Jordi Salvado

17:00–17:15 **Large extra dimensions at oscillation neutrino experiments**

Speaker

zahra tabrizi

17:30
