

Neutrinos: the quest for a new physics scale

Thursday, 30 March 2017

Prospects in neutrinoless double-beta decay and other lepton number violating searches: Prospects in neutrinoless double-beta decay and other lepton number violating searches - 4/3-006 - TH Conference Room (09:30 - 11:00)

-Conveners: Jacobo Lopez Pavon; Werner Rodejohann

time	[id] title	presenter
09:30	[30] Overview	HIRSCH, Martin
09:55	[31] LNV searches and connection to leptogenesis	HARTZ, Julia
10:15	[32] LNV versus neutrino masses	SANTAMARIA, Arcadi
10:35	[33] Alternative LNV searches	DE GOUVEA, Andre
