Self-Explanatory Educational Interactive Spaces

at the CERN Media Lab

Joao Pequenao - CERN Media Lab

High School Teacher Working Groups

4 July 2017
What We Do

Conceive

Research

Develop

Exhibit Content

Narratives

Educational Resources

State-Of-The-Art Tools

Visualizations
Approach - Engagement

Fun and Quick
Approach - Relatability

Educational Selfie
Higgs Field

ON
Upgrade:
- Architecture
- Applications
Challenge:

Make LIT Self-Driven
Use your awesome teacher Super-Powers

Create a Self-Contained Narrative

Break it in Functional Parts

Target it To The Public Trough the Game
