The screenshot shows the 'Ukrainian Teacher Programme' page on the Indico platform. The header features the Ukrainian flag and the title 'Ukrainian Teacher Programme'. Below the header, the event dates '7-14 April 2019' and location 'CERN, Europe/Zurich timezone' are displayed. A search bar is located in the top right. The main content area includes a navigation menu with 'Overview', 'Timetable', and 'Administrative Support'. The 'Administrative Support' section lists contact information for Maureen Prola-Tessaur. The main text describes the programme's focus on particle physics and lists the programme manager, Jeff Wiener, and emergency contact information for the CERN fire brigade. It also provides the start and end times, location, and a note about materials. A final note mentions that scientific programme and agenda information will be available under the 'Timetable' section.
