

# 12th Workshop on Electronics for LHC and future Experiments

## Tuesday, September 26, 2006

### Parallel Session A2-Readout, commissioning and integration 2 (2:15 PM - 3:55 PM)

time	[id] title	presenter
2:15 PM	[109] Integration and Installation of the CMS Electronics system	HANSEN, Magnus
2:40 PM	[115] Installation and Commissioning of the On-Detector Electronics for the CMS Electromagnetic Crystal Calorimeter	BIINO, Cristina
3:05 PM	[117] Performance of CMS ECAL Very Front End Electronics	NARDULLI, Alessandro
3:30 PM	[117] FEC-CCS: A common Front-End Controller card for the CMS detector electronics.	KLOUKINAS, Kostas
