Programme website

The screenshot shows the Indico event page for the Welsh Teacher Programme 2017. The header features the Welsh flag and the event title. Below the header, the dates (7-11 February 2017) and location (CERN) are displayed. A search bar is located in the top right corner. The main content area includes a description of the programme, contact information for administrative support, and details about the event's start and end times, location, and organizers. A materials section indicates that there are no materials yet. An information box at the bottom provides instructions for participation.
