

Young scientist awards

The European Physical Journal A is sponsoring four young scientist awards.

The prizes are given for the best presentations and posters on theoretical and experimental topics.

17th International Conference on
**Strangeness in
Quark Matter**

Universiteit Utrecht

10-15 July 2017

Utrecht, the Netherlands

The committee is very much impressed by the quality of the many contributions of the young scientists that participated in SQM 2017!
