## Measurements of Higgs boson properties in leptonic final states at CMS

*Thursday, July 11, 2019 9:00 AM (15 minutes)*

This presentation will cover the most recent results on Higgs boson measurements using decays into leptons from the CMS experiment at the LHC.

**Primary author:** MEYER, Arnd (Rheinisch Westfaelische Tech. Hoch. (DE))

**Presenter:** HLUSHCHENKO, Olena (RWTH Aachen)

**Session Classification:** Higgs Physics

**Track Classification:** Higgs Physics
