Measurements of Higgs boson properties in hadronic final states at CMS

Thursday, July 11, 2019 10:15 AM (15 minutes)

This presentation will cover the most recent results on Higgs boson measurements using decays into quarks from the CMS experiment at the LHC

Primary author: MEYER, Arnd (Rheinisch Westfaelische Tech. Hoch. (DE))

Presenter: GIANNINI, Leonardo (INFN Sezione di Pisa, Universita' e Scuola Normale Superiore, P)

Session Classification: Higgs Physics

Track Classification: Higgs Physics
