Measurements of Higgs boson properties in bosonic final states at CMS

Thursday, July 11, 2019 11:45 AM (15 minutes)

Latest CMS results on Higgs boson property measurements in final states with photons, W and Z bosons will be presented.

Primary author: MEYER, Arnd (Rheinisch Westfaelische Tech. Hoch. (DE))

Presenter: ERRICO, Filippo (University of Florida (US))

Session Classification: Higgs Physics
