Electroweak physics in multiboson final states at CMS

Saturday 13 July 2019 10:30 (30 minutes)

This talk review recent measurements of multiboson production and constraints on anomalous gauge couplings.

Author: MEYER, Arnd (Rheinisch Westfaelische Tech. Hoch. (DE))

Presenter: KUO, Chia-Ming (National Central University (TW))

Session Classification: Top and Electroweak Physics

Track Classification: Top and Electroweak Physics
