

CEC-ICMC 2017 - Abstracts, Timetable and Presentations

Monday, 10 July 2017

M1PoE - Superconductors I: Measurements, Mechanical, Electrical, Stability, AC Loss - Exhibit Hall AB (14:00 - 16:00)

-Conveners: Milan Majoros; Takanobu Kiss

[id] title	presenter	board
[502] Current sharing, quench, and normal zone propagation in YBCO CORC cables	MAJOROS, Milan	
[261] Status of Round Robin Test for Tensile Test on REBCO Wires at Cryogenic Temperature	BAGRETS, Nadezda	
[478] AC losses of Round Superconducting Cables Subjected to Time-dependent and/or Rotating Magnetic Fields	Mr DONG, Kun	
[501] YBCO pancake coils wound using electrically non insulated tapes: current sharing, stability, quench, and NZP measured at 4.2 K and 10 T	Dr MILAN, Majoros
